Our Listeners

KOOL Radio's core audience is the much coveted baby boomer consumer. We bring to our listeners one of the most qualitatively desirable formats for a large variety of advertisers. KOOL Radio listeners are more likely to own stocks and mutual funds and spend more on travel and leisure than other demographics. KOOL's audience is 65% more likely to live in a household with an income over \$150,000. KOOL's listeners are 20% more likely to have graduated from college.
